

Schedule - Tuesday April 7, 2009

Trent University

Dear Teacher/Parent and Participant:

Please review the following schedule for the Science Fair. We have arranged the events to allow for a smooth progression of all activities. Your co-operation will be greatly appreciated.

8:00 - 8:45	Project Set Up: Please enter the doors to the Science Complex near the flagpole (Praxair cylinders). Ushers will direct you to the room you have been assigned in either the Chemical Science Building or the Environmental Science Building.
9:00 - 10:45	Judging: Participants should remain with their projects throughout this time as more than one group of judges will be visiting the projects.
10:45 - 11:00	Nutrition Break: Students may bring a nut free snack and visit the facilities. Food & drinks are not allowed in the labs or near the displays. Please advise of any severe allergies. Note: Trent University is not a nut free facility.
11:00 - 12:30	Judging: Participants should remain with their projects throughout this time as more than one group of judges will be visiting the projects.
11:00 - 2:00	Public Viewing: Students should remain close to their projects and be prepared to answer questions. Third round of judging will take place.
12:30 - 1:00	Lunch Break: Participants are reminded that they should arrange for a friend or parent to watch over their display in their absence, particularly if valuable equipment is involved. Lunch is not provided but the Otonabee Market Place in Otonabee College (near Wenjack Theatre) will be open for people who want to purchase food. A seating area is available there also.
1:00 - 2:15	Judging: Special awards judging will take place at this time.
2:15 - 2:30	Remove projects: Please ensure you remove all your project materials.
2:30 - 3:30	Mad Science of Central Ontario presentation Wenjack Theatre
3:30 - 4:30	Awards Ceremony in the Wenjack Theatre for all participants

Note: Participants are reminded that they are responsible for the security of their projects at all times and that all project materials must be removed from the site at the end of the Fair.
